

MASTERCORP NEWS BULLETIN

“For many resorts, the greatest opportunity to lower risk exposure and reduce labor burden is by relegating workers comp cost and exposure to a third party.”

–Risk Management Consultant

MASTERCORP ASSUMES ALL HOUSEKEEPING WORKERS COMPENSATION COSTS AND EXPOSURE AT PARTNER RESORTS NATIONWIDE

- = Reduce labor burden
- = Lower risk exposure
- = Lower cost of housekeeping overall

Partnering with MasterCorp can greatly reduce your labor burden for all employees who are otherwise blended with the higher risk rate for housekeepers (a hidden cost). MasterCorp doesn't just assume the risk, but mitigates the impact of loss history by diluting losses in a risk pool of thousands and by developing rigorous systems for safety, risk management, and OSHA compliance.

When you call for MasterCorp, you can expect the best,
because resort housekeeping is all we do!

Just another great reason to partner with MasterCorp.
